June 2018 Site Visit Interview Questions

5/30/18

These questions will guide our discussion. All interviews are off the record and not for attribution. Our questions are focused on understanding your view on how the DNFSB functions. We are not looking for written responses, but you may wish to prepare notes for the meeting.

For Interest Groups:

1. How do you specifically interact with the DNFSB?
2. To what extent do you rely on information that the Board releases?
3. Do you sense that the Board is focused on the most pressing areas of concern at this facility?
4. Are there steps that the DNFSB can take to enhance its effectiveness, ensuring adequate protection of public health and safety?
